16:40-18:30 (Summer) 16:10-18:00 (Winter)					
19:40-22:30 (Summer) 19:10-22:00 (Winter)	<b>Power System Communications (042110)</b> <u>ZHENG Tao</u> Week2-17 East Building II East- 207				

Remark : 1. Time and location of the course "Power Semiconductor Devices and Application Criteria" (042063) will be announced later (in group message or on school website).

2. The course "Smart High Voltage Dielectrics Engineering-Fusion of Dielectric Materials Science with Physics and Chemistry" (043007) will be offered in week 10-17 in Insulation Building 2<sup>nd</sup> floor Meeting Room. Detailed schedule will be announced later (in group message or on school website).

3. Time and location of the course "Scientific Writing" (042109) will be announced later (in group message or on school website).
